

Summer 2018 Newsletter

Summer is well into play at SJHWGA. With the sunshine comes shorts, skirts, and hats to keep us shaded from the damaging sun rays. Also, remember to hydrate and have a water container with you at all times.

First up we have a 2018 Club **Champion, Lori Van Hove**, and a 2018 **Senior Club Champion, Mary Dean**. *Judy Baldwin* chaired this very exciting event. Thanks *to* Judy, and Robin Fong, for all your organization and efforts to make this an inclusive event for all levels of play.

On July 5th SJHWGA presented our 2018 SJHWGA Invitational headed up by *Chair Sharon English*. Sharon and her team put the event together and worked day and night over the last several months making sure the details were well covered. In fact, the event, July 5th, was wonderful and so many members stepped up to help with donations to the raffle, organized by Karen Yoshihara and Carol Duda. Judy Soulakis prepared

the “America’s Pastime: Baseball” themed decorations using popcorn, cracker jacks, and team flags for festive tables. Jan Okun brought forward the theme with her selections for the luncheon of sliders, hot dogs, and cool summer salads. Mary Dean was in charge of the Tournament game, scoring team, and was up early on July 5th out on the course setting-up her contests to add fun and games to the 2 best ball format. A further “Thank You” goes out to Val F. (flyer), Linda B. (cart gifts), Debbie (pix), Judy B., Lori D., Robin F., Lori VH, Cheryl G., Linda H., Barb K., Marina, Tracy and not to forget Mike H. and Des D. There were so many more members that stepped in to help with tasks to make the event possible.

The President’s Cup is the next big event and is our major Net Championship of the year. Please plan to sign up next month.

Also, join us at the next General Meeting so we can give you updates on all that is the SJHWGA. ~ Debbie
