

SJHWGA Summer Newsletter

*Summer golf has arrived and the SJHWGA has a new club champion, **Lori Van Hove**. She celebrated with us at the June 15th General Meeting along with our senior club champion, **Linda Healion**. Please go to Robin's "Major Tournament Results" on the website for our 'place winners' who made this tournament an exciting success along with our **Chair, Judy Baldwin**. Thank you, Judy.*

*Call and ask your guest to join you for the coming August 31st Guest Day. This is our second and last Guest Day for 2017. **Val Fitzpatrick**, our **Chair** for this Mexican Fiesta, will soon leave a sign-up sheet on the starter table Thursday mornings. Val is creating a flyer with all the information about the event so you can email it to your guests soon thereafter.*

*June 22nd through August 3rd SJHWGA will be testing the new USGA proposed rules changes that could become permanently part of the USGA Rules of Golf. Our members can then go to the USGA website and submit their feedback on the pending rules. These new rules would not be written into the USGA Rules for general use until 2019. **Debbie Hobbs**, our **Rules Chair**, will email the seven proposed rules to our membership that we will be 'testing', along with the description of each rule. The rules will also be posted in the ladies lounge and we hope you will all make a copy at home and take it with you on the course.*

*See you on the golf course,
'Debbie Geyer'*
