

SPRING 2022 NEWSLETTER

Spring has arrived, the sun is shining and our numbers are going up! As of the writing of this newsletter, we now have **78 members, 10 new members** as of the beginning of the year. We are thrilled to have our new members join us. Check out our website and get to meet some of our newest members.

A big thank you goes out to **Terry Burd** for the hard work and energy she has put forth to keep our website looking so great. Terry has been instrumental in the design of the website from the start. She updates photos of our new members and our Home2Home matches regularly. Next time you see her, let her know how much we appreciate all she does.

Our **Home2Home** matches with Fallbrook Women's Group have been a blast. We headed down to Camp Pendleton on February 24 and Fallbrook came to San Juan Hills on March 17. We have so enjoyed these get-togethers and the opportunity to meet new friends! We are looking forward to Arrowood Women's Group coming here on July 28 and our trip to Arrowood on September 27.

We have some fun events and major tournaments coming up. Make sure to put the following events on your calendar this spring: **Binky-Burdick Eclectic** will take place on **March 31, April 7 and April 14**. Our **Partner's**

Eclectic will be on **May 5 and May 12**. And last but not least, our **Club Championship** will take place on **June 2, June 9 and June 16**.

Our next **General Meeting** will take place on **April 14**. It will be an 8:00 shotgun start that day. It seems strange meeting quarterly instead of monthly, but we hope everyone feels we are keeping you informed through emails.

Linda Healion, our Rules Chair, has been working hard at putting together impromptu meetings after our Thursday golf days about golf rules and etiquette. Those members who have attended have said they learned a great deal. Linda loves to help, so please feel free to contact her if you have any questions.

As you all have noticed, the course has been going through some structural changes. Tony Chavez, Director of Golf, has been great at sending me updates so you know what is going on. Tony and the staff have been putting together various clinics. Those ladies who have attended say they have been quite informative. So check out those San Juan Hills In-Club emails when they come out.
