

# WINNING AT

## San Juan Hills Women's Golf Club

### Sanctioned Game Winnings

Included in your annual membership fee are the funds to payout the winners of the weekly Thursday games and the Major Club Tournaments. Unlike other Women's Golf Clubs, there are no day-of participation fees collected for these games.

#### Who is eligible to win?

- All accepted full members with an established GHIN handicap.
- All Thursday participants who complete the 18 holes, play according to USGA Rules, and complete the game per the established club rules without disqualification.
- Exception: Associate members who pay only for GHIN handicaps are not eligible to win awards for Thursday games or Major events.

#### What do you win?

- Weekly Thursday games are paid out in "Chits". A chit is a credit posted to the San Juan Hills Golf Course. Once the Chit has been posted, the player may use the Chit money to pay for green fees, player's cards, retail items in the pro-shop, or have the available chits converted to a gift card and used in the restaurant.
- Special Event games (Majors or designated games by Committee such as the Christmas Game) may be paid out in cash or gift cards. These awards will be given directly to the player.

#### How do I know if I won?

- Check the Game Results Page on the club website for previous week's/game winners: <https://www.sjhwga.com/member-info>. Click on "Tournament and Game Results".

#### About Chits:

- Chit money is only posted to the player's account one time per quarter. For example, Chit winnings in Jan, Feb, and March are available for use in April. Chit winnings in April, May, and June are available for use in July. Etc.
- You may ask the ProShop at any time about the Chit balance in your account.
- Chit money never expires and can be accumulated until used. If a player leaves the club before using all her Chits, it will return to the Club treasury. The women's club will make attempts to notify players of unused chits when possible.

- A summary of the previous quarter's Chit winners will be posted on the club bulletin board.
- Once the Chit has been posted to the golf course, the usage or the awareness of the ongoing account balance is the responsibility of the player.

## WEEKLY SIDE POTS

The 2<sup>nd</sup> way to win is to participate in the weekly side pots. The side pots are optional games available each week.

What Side Pots games are available to play?

- Skins – A skin is won if your net hole score is the lowest of all participants. If there is a tie, there is no skin paid for that hole. All 18 holes are eligible for a skin.
- Closest to the Pin – The participant whose 1<sup>st</sup> shot is the closest to the pin on Holes #14 and #18 (unless designated otherwise) wins. Only one winner per hole.
- Chip-Ins – Any participant who holes the ball from off the green is eligible for a Chip-In. Multiple Chip-In awards may be paid on the same hole.
- Birdies – Any participant who makes a gross birdie is eligible for a Birdie win. Multiple Birdie awards may be paid on the same hole.

How do I participate?

- At the Thursday Game Starter's Table, declare which pots you want to participate and pay the fee. You may play all of the games or select ones only.
- Write your name and distance on the Closest to the Pin sign if you have beat the previous named distance or are the closest to the pin in the first tee group.
- Make note on the Game Summary Sheet (available at the end of the round at the Tournament Table) of any Chip-Ins or Birdies you achieved and their hole.
- Make note on your scorecard where Chip-Ins have occurred.

How do I know if I won?

- Winner's are posted on the Game Results Page of the website: <https://www.sjhwga.com/member-info>. Click on "Tournament and Game Results".
- Check the Side Pot Black Box available at the starter's Table for your winner's envelop.
