Happy New Year Members of SJHWGA!

As we enter a new year, I want to thank each and every one of you for the time and energy you put into our club. I also want to thank my 2023 Board for their tremendous support last year for their "Rookie President". Welcome Kim Hofer (new membership chair) and Tracy Kilpatrick (new secretary).

WOW, 2023 was a whirlwind! 35 new members AND the implementation of Golf Genius. So far, this transition has been a smooth one (thank you Letty). BRAVO!

Our Holiday Luncheon was a huge success! The Reindeer Games Scramble was exciting (dice and all), the décor was lovely, the food was yummy and the table games (RLC and dice gift exchange) were lively and fun! Thank you, Marci Skinner and Debra Carter, for making this a very special event!

At our January general meeting, Cindy Fiorillo announced the 2023 Ace of Aces Tournament winners. 🎉 Congratulations to:

- 2nd place- Cindy Mason (tie breaker)

San Juan Hills has scheduled two projects for the beginning of this year which will improve our beautiful course. Currently, a major renovation to hole number # 5 is underway (to be completed sometime in March) and tee and green renovations on hole # 1 are scheduled to begin in mid-March, weather permitting.

Finally, don't forget to check out our website (SJHWGA.com) and click through the various tabs. There you will find information about our club, rules, governing documents, minutes from general meetings, photos etc.

Have fun and see you on the course!
