ON THURSDAY:

___ Arrive by 6:45 AM. Check with Pro Shop for last-minute cancelations.

___ Retrieve Starter Packet and table placards from lounge cabinet.

___ Set up 4 tables: 1. Player Check-in/scorecards, 2. Side Pots check-in, 3. Today's Game and Tee Sheet, 4. Future event, H2H, or special tournament sign-ups.

On The Tee Sheet:

STARTER 1B ARRIVES AT 8:00 AM and also follows these directions:

___ Place a 'check' by the players' names as they check in.

___ Place a 'C' by the player who receives the Game Cards.

___ Cross off names of cancelled players.

___ Write "No Show" by players who did not show up and did not cancel in advance.

___ Try to move up players to fill cancelations to limit singles and twosomes. **Golf Genius ID (GGID) remains the same even if players move tee times.**

___ Remind last group (if not you) to bring in CLOSEST TO PIN signs (holes 7, 9, 14, 18)

STARTER CLOSE OUT

___ Close Starter Tables 30 minutes prior to last tee time (usually 9:30-9:40).

___ Place Check-in Tee Sheet in plastic box "Tournament". Place Tournament box on high table in front of the ATM machine along with the Chip-In sheet (found in Starter Packet).

___ Return Starter Packet, placards, etc. to lounge cabinet.

___ Re-arrange tables and chairs.

LAST MINUTE CANCELATIONS: WHAT TO DO

We cannot send out twosomes. If the cancelation results in a twosome...

1. Find two threesomes scheduled either before or after the short group (1-2 tee times) and add one player from the twosome to each, creating two foursomes. This will create an empty tee slot where the twosome was, so we shift up all the tee times that followed the previous twosome slot. Alert the groups as they check in, that their tee times have moved. If this is not possible...
2. As people check in that are already in a foursome, ask for a volunteer to move to the short group. If not successful, then...
3. The foursome closest (in tee time) to the short group will be expected to provide a player, assuming the timing is reasonable. Most likely it will be the last person in that foursome to check in who will be asked to join the short group.
4. The player requested to move can try to find a substitute or ask someone else in their original foursome to move.

It is important that all members are flexible and respectful when asked to change groups.
